#### "Little Bit of History"

In 1985, I set up a small card table along side of Route 73 and began selling homegrown produce and fresh picked sweetcorn. In August, I would close my little stand to return to teaching school in Kentucky.

Over the years, we had the idea of preparing our homegrown fresh vegetables in salads served in our future cafe. In 2001, we constructed Lovely's Country Cafe! My husband, Steve, learned the art of preparing the Best Fried Chicken Around(according to our customers and the Dayton Daily Newspaper, Aug./2015). He only uses the finest quality FRESH chicken prepared in his secret recipe of spices. The fried chicken along with the many "hot and cold sides" became well known around the area and beyond.

Today, our little market has grown to over 9000 square feet and not only prides itself in selling the finest in fresh fruits and vegetables, but also in preparing the best downhome cooking around. We continue to remain one of the last real farms around to grow acres of fresh sweetcorn and a variety of vegetables! We still farm and enjoy the harvest!

Lovely's Fresh Deli prides itself on offering Premium AMISH meats and cheeses. Our Amish cheeses and meats come directly from Holmes County, Ohio in the "Heart of Amish Country". Our "downhome sandwiches" are quite popular. Dress them up with your choice of garden fresh toppings and cheeses!

Lovely's carries unique, as well as traditional Amish homemade jams, jellies, and pickled products from Pennsylvania and Ohio. Communities in these areas still prepare their products with good wholesome fruits and vegetables.

Lovely's offers our own fresh baked pies and desserts. These are specialties from our own market bakery! Jessie, our baker, makes cream pies that are spectacular and also the BEST homemade fudge! She prepares the finest fudge right here in our market with Amish cream and butter in our big 'ole' fashioned fudge kettle! Check out the many varieties offered in the farm market area. We think you'll agree, it's so delicious. Get a Free sample and, if you buy 1 pound the next 1/2 pound of fudge is FREE!

To top it off, we have a fabulous candy store! Tables are full of our hand-bagged, nostalgic and traditional candies. Candy bags are sold at "3 bags for \$6.00".

Hershey's Hand-dipped ice cream is a treat on a hot day! Many flavors await you for your enjoyment in our little ice cream parlor.

From the heart of Appalachia in Pigeon Forge, Tennessee comes Homemade Taffy. Mix and match your favorite flavors for the REAL TAFFY experience...smooth and chewy. IT is soooooo good and also sold at the buy 1 pound, get a 1/2 for free!

Also from the mountains of Tennessee, is pure honey and sorgum.

Steve and I have worked over the last 32 years to make Lovely's a fun place to come for all. We do our best to please and hope you will agree that coming to Lovely's is like going "back in time" when things were a little simpler and the real "mom and pop" stores were still around.

We sincerely thank you for your business and we sure hope you have a "down home" good time at Lovely's!!!

Robin & Steve
